Dear Valued Member of our YMCA Family,

**The YMCA is a non-profit, charitable organization. Now, your membership means more than ever.**

As we work to continue to serve you and our community, I have an urgent request of you: **Please stay with us during this difficult time and keep your membership active.**

By continuing to pay your membership dues, you will allow us to provide critical programs and services, keep our staff members employed for as long as possible, and be ready to return to our full-service delivery capacity as soon as we are able.

The YMCA is serving the community during this time including:

- Supporting our members by conducting wellness checks by phone. This is especially important for our senior members who are likely to feel isolated and alone at this time.
- Providing online health and wellness classes for the entire family to keep moving.
- Cleaning/servicing equipment and facilities in preparation for the reopening of our YMCA

We are learning a lot in real-time, and we're adapting.

No action is required to maintain your membership throughout the closure. We hope that the facility closure is brief and are hoping for a quick and seamless return to normal. If you are unable to continue to pay your full membership fee, please contact Karen Crim, [kcrim@plainviewymca.org](mailto:kcrim@plainviewymca.org) for additional membership options at this time.

We're standing by you during this difficult time and ask that you stand by us as well. There's a bright future ahead, but the only way we get there is together.

Thank you for your support,  
Jeri Strange, CEO
