Dear Valued Members of the Plainview YMCA:

THANK YOU!! Most members are continuing to pay membership dues, which has supported us in:

- providing critical programs and services
- keeping staff members employed
- completing projects in preparations for the reopening of our YMCA

THANK YOU MEMBERS!!!!!! The Plainview YMCA is a non-profit charitable organization. We greatly appreciate you for staying with us through this difficult time.

We understand that some members are experiencing financial hardship. Please contact Ashley (amayberry@plainviewymca.org) if you would like to apply for a scholarship. Please contact Karen (kcrim@plainviewymca.org) if your membership needs to be placed on hold. Or call 806.293.8319.

If you are able to help others, we would welcome your tax deductible contributions. (We were conducting our Annual Campaign in March before pausing because of Covid-19).

There are many ways to stay connected with the YMCA:

- Daily Facebook Live Fitness Classes on the Plainview YMCA FB Page
- A "Current Plainview YMCA members" Group page on Facebook where there are bonus daily challenges, free apps with additional workout and health and wellness ideas and nutrition info
- Updated Website with an "At Home with the Y" page linking you to virtual classes
- Virtual Check-in through our website
- Instagram updates and motivation through our Instagram Page

THANK YOU! Stay well! We look forward to seeing you as soon as possible at the Y.

Jeri Strange, CEO
